MODEL PROBA SCRISĂ

1. Write a short text (50 – 75 words) about your house.

Describe it and speak about what it looks like, what rooms are inside, what you do in each room etc.

Model answer

My name is George and I live in a big house. It has many rooms: a spacious living-room, three bedrooms, two bathrooms and a large kitchen. I usually watch TV and play with my sister in the living-room. I always help my parents to prepare food in the kitchen, I wash my face and have a shower every morning in the bathroom. My favourite room is my bedroom because I play and spend a lot of time there.
